

# Lamaxa Moments

Your Lamaxa L50 – as individual as you are

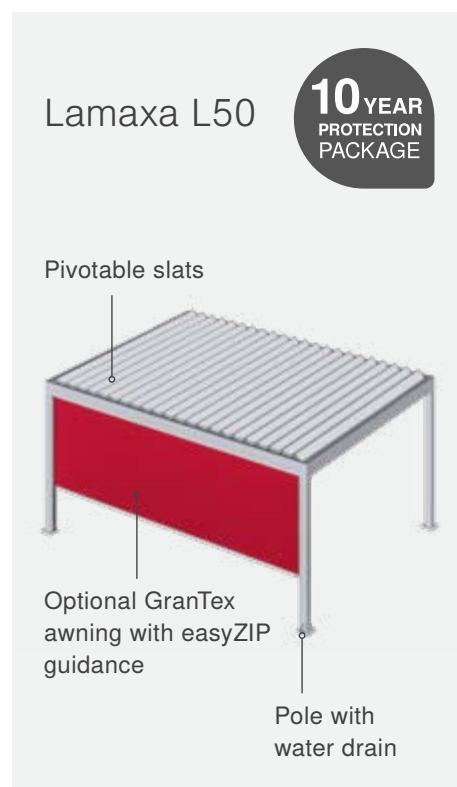

Der SonnenLichtManager

The slat roof Lamaxa L50

# Perfect mood lighting in an instant

Have more fun outdoors – with the Lamaxa L50, you can do so the whole year round. The best protection against sun, wind and rain. It's much more than a slat roof – it combines comfort and elegance, and gives you a new lease on life.

For individuality and the most demanding design requirements: your Lamaxa L50.

## Your elegant roofing solution with controllable aluminium slats

Max. width	4,500 mm
Max. length	6,000 mm
Slats	Slats are pivotable
Drive	WMS Radio motor
Slat or frame colour	Powder-coated in accordance with WAREMA Colour World, fine texture surface quality

The Lamaxa L50 View

# Unlimited perspectives

Spend more time outdoors and look forward to a clear view of the sunny skies or the stars – even if the weather isn't cooperating. The elegant roofing solution Lamaxa L50 View always provides you with protection using its glass roof. It also gives cooling shade when the sun is shining, with an additional internal or external conservatory awning Climara.

Go for the most slender patio roof of its kind: your Lamaxa L50 View.

## Your slender roofing solution with glass roof

Max. width	4,500 mm
Max. length	7,000 mm
Frame colour	Powder-coated in accordance with WAREMA Colour World, fine texture surface quality
Installation	Wall connection, optionally free-standing
Accessories	Conservatory awning Climara W10 or W20

The Lamaxa L50 Tex

# All-rounder with convertible effect

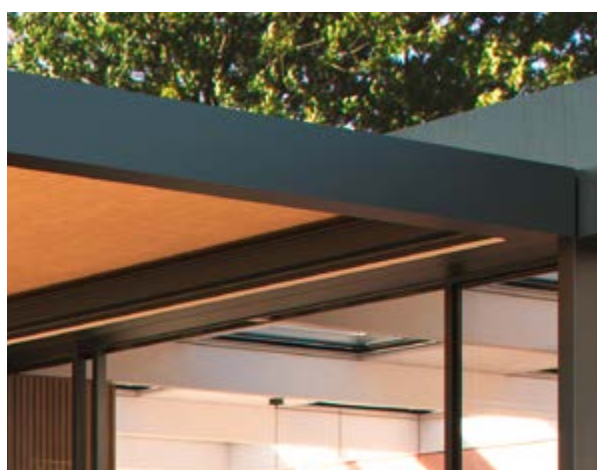

Enjoy life outdoors – your Lamaxa L50 Tex makes it possible. The slender, cubic roofing design is your most attractive protection from the sun. Alternatively a rainproof fabric with integrated drainage can be chosen which will also protect you from rain.

Choose individuality, elegance and ultimate comfort: your Lamaxa L50 Tex.

## Your Design roofing solution with controllable textile roof

Max. width	4,000 mm
Max. length	6,000 mm
Fabric	movable (alternatively available as rain protection or as a sunshading solution)
Drive	WMS Radio motor
Frame colour	Powder-coated in accordance with WAREMA Colour World, fine texture surface quality
Installation	Free-standing, optional wall connection

*Lamaxa L50 Tex*

## Three versions to choose from

Choose the individual solution that's perfect for you.

Enjoy fun outdoors – with the Lamaxa L50, you can do so the whole year round. You can choose between the Lamaxa L50 with motor-controlled, pivotable aluminium slats, the Lamaxa L50 View as a cubic patio roof with optional conservatory awning Climara, or the Lamaxa L50 Tex with textile curtain as a sun shading system or as the weather-resistant design.

Experience your own personal Lamaxa moment.
